We, the attorneys and agents associated with customer number 22830, hereby apply to withdraw as attorneys or agents for the above identified patent application. Reasons for this request include:

Due to financial constraints of the applicants that have caused them to delay payments for an unreasonable amount of time, the attorneys and agents associated with customer number 22830 are no longer able to prosecute this application on the applicants' behalf. Specifically, the applicants delayed paying their account balance of \$26,267.26 until September 30, 2002. Most of this amount was for invoices that were more than three months past due. An amount of \$6,730.90 was for an invoice dated October 11, 2001. A copy of a schedule showing the dates of the invoices being paid by the \$26,267.26 is attached.

The applicants have been informed, are aware, and agreed that the attorneys and agents associated with customer number 22830 are withdrawing their power of attorney.

The undersigned attorney is authorized and is signing on behalf of practitioners associated with the customer number 22830. ✓

REQUEST FOR WITHDRAWAL OF ATTORNEY SUPPLEMENT

Sir:

Please consider the attached Request for Withdrawal of Attorney Supplement and a new letter informing the applicants that we are withdrawing as attorneys of record, which supplements the Request for Withdrawal filed November 12, 2002. The applicants have been informed, are aware, and have agreed that the attorneys and agents associated with customer number 22830 will no longer represent them thereby meeting the "knowingly and freely assents" condition of 37 CFR 10.40(c)(5).

Additionally, the attached request elaborates that the applicants were three months late or considerably later than three months in paying most of the invoices on the attached schedule of invoices. Consequently, the nonpayment for an unreasonable period of time condition of 37 CFR 10.40(c)(1)(vi) has also been met.

Therefore, the Special Programs Examiner is respectfully requested to grant the attached Request for Withdrawal of Attorney.

Dear Ms. Seto:

This letter is to confirm that we submitted a supplement to the request to the U.S. Patent and Trademark Office for permission to withdraw from representation in this patent application on this date. Copies of the submitted documents are enclosed for your records. We expect that this request will be granted. Therefore, we recommend you engage alternative counsel to handle the prosecution of this matter.

There are currently no outstanding actions for this application before the Patent Office as it is still awaiting its initial examination.

Sincerely,

Mary A. Wiggins
